**COMMENTS OF TOWN OF NORTH ANDOVER**

The Town of North Andover, Essex County, Massachusetts appreciates the opportunity to file comments on the Second Further Notice of Proposed Rulemaking ("FNPRM") in the above-referenced docket. We oppose the tentative conclusions in the FNPRM that cable-related in-kind contributions should be treated as franchise fees and that local government authority regarding cable operators' use of the rights of way to provide non-cable services will be curtailed.

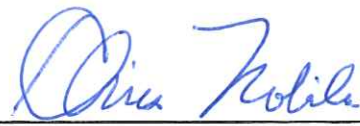

The Town of North Andover has franchise agreements with two companies that provide for franchise fees for capital expenses to be paid to the Town of North Andover and fees for operating and capital expenses to North Andover Community Access & Media, Inc. The Town of North Andover benefits from the services provided by North Andover Community Access & Media, Inc. as it provides programming for all of the Town of North Andover public meetings free of charge. North Andover Community Access & Media, Inc. filming and televising of all public hearing and meetings promotes public transparency and provides access to all residents who would not otherwise be able to attend public meetings and hearings. The Town recently negotiated and entered into a cable renewal license agreement with Verizon New England for a term of five years ending on June 1, 2023 and is mid agreement with Comcast of Massachusetts. The Town looks

for stability in its agreements and therefore any changes to the regulations which would impact these agreements would be disruptive to the operation and ability of the Town to plan for the future.

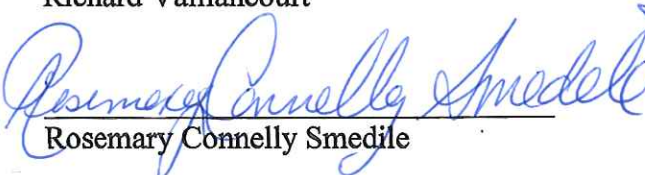

Respectfully submitted,  
Town of North Andover  
By its Board of Selectmen

  
Regina Kean, Chairwoman

  
Philip DeCologero, Clerk
